***Caring for orphans makes grace touchable. When Christians choose to adopt, foster, mentor or support care for orphans around the world, it reveals God's true character to the world like nothing else we can do. This softcover book unpacks specific steps that you can take to care for orphans in distress. Some of these steps are "big" choices like fostering or adopting; some are smaller choices like supporting work abroad or mentoring a foster youth. But all have the impact of revealing God's love to someone who wants to be home for good. Join Jedd Medefind, president of the Christian Alliance for Orphans (CAFO), as he reveals the profound sense that deep, sustaining love for orphans springs not from duty, guilt or even idealism, but foremost as a response to the way we've first been loved by God. Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world. In this comprehensive canonical theology of divine love, John C. Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness. A Passion for the Fatherless exposes believers to the Scriptural mandate to care for orphans, helps them understand why God has issued that call, and equips them to joyfully respond to that call. Bennett provides a sturdy theological foundation for a ministry to the disenfranchised--the orphan--and then shows how churches can build on these biblical foundations to***

***implement or improve an orphan care program and to equip care-givers. With "how-to" practicality, this book focuses on total orphan care ministry and not just adoption, including a wide range of activities intended to get the whole church involved: domestic and international adoption, foster care, counseling, congregational funding, overseas mission trips, prayer ministry, and so on. The temptation in a church can be to see orphan care as a ministry for couples of child-bearing age. This approach fails to make wise use of the incredible resources of energetic young people, empty-nesters with newfound freedom, or older saints who have some time with which they desire to be good stewards. A Passion for the Fatherless includes practical and encouraging stories of how other churches and believers have cared for orphans, and each chapter contains a study guide so that a group leader could use the book in a small-group bible study. It encourages the church to retain "its strong biblical philosophy of ministry while simultaneously being obedient in so-called social ministries, like orphan care." The Two Gentlemen of Verona is a comedy by William Shakespeare, believed to have been written between 1589 and 1592. It is considered by some to be Shakespeare's first play. The play deals with the themes of friendship and infidelity, the conflict between friendship and love, and the foolish behaviour of people in love. The highlight of the play is considered by some to be Launce, the clownish servant of Proteus, and his dog Crab. Describes the hospital founded by Captain Coram to care for homeless children, and includes information about the daily lives of the foundlings and a timeline. Not As Orphans was life-changing for me. It charts the journey of a soul, my soul and your soul, from fearful orphan to precious child of the Father. The journey is best taken slowly, thoughtfully and prayerfully as there are many profound insights that need to be pondered and received in the deep places of the heart.
