Scholars concerned with charter chronology consider the potential of computerised methodology compare to other more traditional methods of dating. Each half-year consists of two volumes, *Parie médicale* and *Parie paramédicale*. This volume presents the second half of the proceedings of the Sixth International Conference of the International Plutarch Society (2004). The selected papers are divided by theme in sections concentrating on statesmen and statesmanship in Plutarch's Greek and Roman Lives. This volume bears witness to the ongoing, wide-ranging interest in Plutarch's biographies. Scholars of early modern Italy and of Italian and European history in general will find much to ponder in Marino's keen insights and compelling arguments.
