Steven Spielberg. Ediz. francese Oct 28 2022  
Présente la vie et l'oeuvre de ce réalisateur consacré auprès du public du monde entier, qui a réalisé, entre autres, Jurassic Park, Les dents de la mer, ET l'extraterrestre et La liste de Schindler. L'auteur montre les qualités professionnelles de Spielberg, qui tente toujours de s'adresser directement au

spectateur moyen, en privilégiant l'image pour transmettre l'émotion.

I mondi di Star Wars Jun 12 2021  
Nei quattro decenni scorsi diversi libri hanno contribuito a chiarire la genesi produttiva della saga e le componenti culturali sulle quali l'opera di George Lucas riposa. Ciò nonostante, gli aspetti sociologici del fenomeno Star Wars sono rimasti ancora largamente inesplorati, tanto nelle cause quanto negli effetti. Si tratta di un tema che è ancora sorprendentemente attuale, poiché - è il caso di sottolinearlo - non abbiamo a che fare con un evento culturale one-shot, lontano nel tempo, circoscritto a un momento storico preciso e, in buona misura, distante dalla cultura del presente. All'opposto, siamo alle prese con un prodotto mediale che, a distanza di quarant'anni, ancora persiste e si sviluppa. Trattare gli aspetti sociali di Star Wars significa perciò molte cose: dall'esplorare la sociologia propria del medium, cioè del fatto della saga un fenomeno socio-culturale, sino all'individuazione e alla comprensione dei suoi effetti, nei termini di un condizionamento delle nostre vite, su scala globale.

**Sofia Loren. The quintessence of being an italian woman. Ediz. italiana e inglese** Aug 26 2022 An honest, uproariously funny, sometimes moving memoir of the year in which Corinne Grant decides to do something about her hoarding It took a year to drag myself out of the mess. A year in which I lost my dearest friend and then promptly lost my way. A year in which I ran away overseas, came back and then ran away again. A year in which I learnt to let go, learnt to forgive and learnt to grow up. It was a big year. It was a lot of work. And I head-butted two people. Accidentally. This is the big-hearted story of how one of Australia's leading comic talents learned to reconcile love, loss, lack of closet space, and far too much stuff. From every scrunchie she's ever owned, to every pencil case and magazine, it's time for it all to go. The problem is, getting rid of the stuff turns out to be much harder than she initially thought. This delightful memoir is about hoarding and about how the things we hold on to can end up dictating our lives. Warm,

hilarious, candid, and insightful, Grant's tale is about the pain—but also the necessity and the joy—in learning to let go.

**Dennis Oppenheim. Catalogo Della Mostra (Marghera, 1997). Ediz. Inglese** Apr 22 2022

A recurrent theme that characterizes the work of Dennis Oppenheim (*Electric City*, Washington, 1938), one of the most unusual and adventurous of contemporary American artists, is the encounter between art and nature. His first work using land, in Oakland, was produced in 1967. From the beginning of the Seventies, his work began to take a wide variety of forms, from performance art to installations, from video to the production, at the end of the decade, of the machine pieces, three-dimensional structures animated by

mechanical devices. In 1986, the work of the artist took another turn: his works, enormous imaginary objects, mutant and distorted, are all pervaded by a new violent and playful irony. This book presents Oppenheim's sculptural upside-down church Device to root out evil. Produced for Venice, this glass and aluminum sculpture, 12 metres high, 6 metres long, and 4 metres deep, balances only on the tip of the bell-tower.
